

Acceptable Clean Up Items

Please place materials in 3 separate piles:

Pile 1: Bulky green organics such as pruned trees; timber such as fence palings. **NOTE:** All green organic material must be bundled and tied with string and no longer than 1.5m in length. Bundles must be easily handled by two people and contain no stumps or thorny branches.

Pile 2: Metal waste; steel and metal products such as stoves, refrigerators, dishwashers, washing machines and hot water systems.

Pile 3: Garbage; furniture, carpet, furnishings, clothing, bedding and mattresses. Other unwanted household goods such as toys and tools.

Non-Acceptable Clean Up Items

Building waste, industrial trade waste, hazardous or dangerous materials including paints, asbestos, batteries, poisons, toxic chemicals, food waste, plate glass, trees, large rocks, car bodies and old motor vehicle parts.

Please take care: Only items comfortably handled by two people will be removed.

Clean up materials placed out for collection that do not comply will not be removed.

Please note that Council's mattress recycling program is currently unavailable.

The closest Resource Recovery Centre is located in Powers Road, Seven Hills. The Resource Recovery Centre operates from:

7am till 4pm, Monday to Friday, and
9am to 4pm, Saturday and Sunday.
